Great Lakes
Heritage Quilters

President's Perspective from Christine Reeves

Christine Reeves

I cannot believe it is almost May. This guild year has gone by very fast. As you all know that our quilt show was a big success. We still do not have a final number because there were still some outstanding receipts for expenses. However the board was still able to vote this month on how the funds will be allocated. We voted to allocate half the funds to be saved for a future quilt show. The other half will be allocated to the guild operating budget spread out over the next three years. If in the next four years the saved amount is not used for another show it should also be allocated back to the operating budget. The future board and membership will be responsible for the decision.

With that being said what kind of President would I be if I did not mention we still have board positions that we need to fill for next year. Please contact Sue Gadis if you have any questions about the positions.

Happy Quilting, Christine

Membership Report *from Julie Greening*

We currently have 133 members in the Guild. At the April meeting, there were 70 members and 10 guests in attendance. In order to make it easier for the incoming Membership co-chairs, it would be extremely helpful if you could pay your **2007-8 dues before the Sunday after the June meeting.** There is a lot for this committee to do in September, including getting the roster ready for distribution at the October meeting. Payment of your \$35 dues now will assist them in getting this project completed successfully

The membership form is included in this newsletter.

A Note from the 1st Vice President Betsy Koss

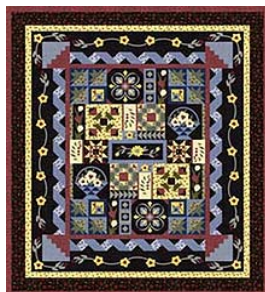

I hope everyone enjoyed the lecture and slide show given by Julie Silber in April. I understand that it was humorous and informative! Liz Helwig is our May speaker and she promises to bring a car load of slides! (kidding!), I mean quilts with her when she comes. For those of you who don't have a long history with quilt shops in the area, let me tell you about Liz. She has worked at the Village Quilt Shop, teaching the fine art. Before that Guild Crafters had her on their staff. She makes big, bold and bright quilts in the "Piece O' Cake"/ Karen Stone style. So grab your shades, and join us on May 10th for some good fun.

Haven Information *from Cathy Labrie*

Haven is a safe haven for women and children in abusive relationships. Throughout the year we collect various items to help support this facility. They are very appreciative of our continued support. For the month of May, I would like to collect hair products such as shampoos, conditioners, hair brushes and combs, elastics and pins. Thank you for caring.
