

2015 Mystery Quilt Day

Supplies - Bring your sewing machine and power cord, a power strip if you have one, rotary cutter, mat, ruler, and general sewing supplies (scissors, needles, thread, extra bobbins...).

Fabric Selection - You need 3 contrasting fabrics. It doesn't matter if they are light or dark, prints or solids – as long they stand apart from one another. Avoid large-scale prints (motifs larger than 3"). The committee will have sample fabrics at the sign-up table.

Cutting - Cut your fabric before Saturday to get a head start on sewing. (WOF = width of fabric, minimum 40")
