

# GLHQ Quilt Challenge for 2023-2024!

by Julie Krauss

Who's ready for a challenge? I don't know about you but I love a quilt challenge. It really gets the creative juices flowing for me. I dig through art or quilt magazines, old and new patterns, photos I've taken or from old calendars I save. I go on Pinterest and visit my favorite quilt artists websites to find inspiration. Then voila' , I come up with my subject, shop my stash and my favorite shops to find the "right stuff" ! Oh what fun! So let's get started....This years challenge is titled:
